## MEDICINAL.

### THE SCHOOL BOY

— is often a sufferer from headache. The seat of sick headache is not in the brain, for if you regulate the stomach and bowels you'll cure it. Too much brain-work and brain-tiring brings on a rush of blood to the head with headache, dizziness or "nose bleed."

Miss Wolfe writes: "I suffered from loss of appetite, constipation, nervousness, and great weakness, and had terrible attacks of sick headache very frequently. My health was so poor that I was unable to go to school for two years. I took Dr. Williams' Pink Pills and 'Golden Nerve Discovery,' and in a short time I was strong and well. Many are taking your medicine, seeing what they have done for me."

## CATARRH

Apply a particle of the Balm up into the nostril. After a moment, draw it through the nose. Use three times a day after meals preferred, and before retiring.

ELY'S CREAM BALM FOR COLD IN HEAD. Balm opens and soothes the Nasal Passages, Allays Pain and Inflammation, Heals the Sores, Protects the Membrane from Colds, Restores the Senses of Taste and Smell. The Balm is quickly absorbed and gives relief at once. Price 50 cents at Druggists or by mail.

If you are in need of a "Refrigerator" or "Freezer," don't buy any until you have tested the "Alaska" refrigerator, and the "White Mountain" freezer. These two articles are undoubtedly the best made. Have taken more prizes at the great exhibitions than all other kinds and have done this solely upon their merits. The best is the cheapest. Cheaper grades in stock if you want them. ## THE VANDERBILT DOMAIN.

The splendid country house which Mr. G. W. Vanderbilt has been building near Asheville, N. C., is now nearing completion and he expects, so it is said, to spend next Christmas in it. This will probably be the finest country place in America. The cost of the building alone is reported to be something like six million dollars. It is surrounded by a domain of nearly fifty square miles of land, which Mr. Vanderbilt has purchased, and a large portion of which is in forest. A magnificent park has been made. When a person has more millions than he knows what to do with a more delightful way of spending them than Mr. Vanderbilt has found could scarcely be devised. Experiments in agriculture and forestry will probably be made, and if the birds and game are protected, as they probably will be, they will rapidly increase and multiply and be a source of pleasure to the owner. In the United States there is but little taste for country life among the rich. Nearly all the improvements and the handsome buildings are in the cities and towns, and in most of the States of the union the fine country seats which are so beautiful and so attractive in European countries are entirely absent. The delights of English country life, the healthy out-door occupations and amusements are among the favorite themes of the English novelists. Perhaps, as Mr. Vanderbilt has set the fashion, others may follow and some of the cheap waste lands may be made beautiful and the country embellished by fine residences.

THE CONFEDERATE VETERANS.—The United Confederate Veterans concluded their reunion at Houston, Tex., yesterday by the unanimous election of Gen. J. B. Gordon to be commander.

He was received from Charles B. Rouse, of New York, a private in the Confederate army, offering to give \$100,000 toward the establishment of a large memorial association under the auspices of which an illustrated history of the war shall be published and the relics, &c., collected and preserved at one central point.

Gen. Wade Hampton was elected commander of the Department of the Army of Northern Virginia.

Miss Davis left last night with the Washington Artillery, of New Orleans, and after spending a day in the Crescent City, will proceed to Richmond. She held several receptions yesterday morning, during which she met several thousand veterans and others. A touching incident occurred in the course of the morning when ex-Governor Lubbeck, said to the daughter of J. Stevens Davis: "It was I who carried you, child, into the prison to your father."

He got no further. Miss Winnie Davis threw her arms about him, and the grizzled veterans and younger spectators present were visibly affected by the scene.

Agreeable Surprise.

"I had a severe cold on my lungs that caused much soreness and gave me considerable uneasiness in regard to the result," says Mr. T. E. Smith, of Billerica, Mass. "A local druggist called my attention to Chamberlain's Cough Remedy, and on his recommendation I gave the remedy a careful trial. The result surprised me. I recovered entirely in three days." 25 and 50 cent bottles for sale by L. Stabler & Co.

Knights of the Maccabees.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail." Singed F. W. Stevens, State Com. Why not give this great medicine a trial, as it is guaranteed and trial bottles are free at E. S. Leadbeater & Sons' Drug Store. Regular size 50c and \$1.

Are You Ever Annoyed

by a buzzing or roaring sound in your head? Have you difficulty in hearing distinctly? Are you troubled with a continual dropping of mucus, irritating the throat and causing you to cough? If your breath unpleasantly affected and accompanied with bad taste? Is your hearing less acute? If so, you have catarrh and should at once procure a bottle of Ely's Cream Balm, the best known remedy. The Balm will give instant relief.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. ## MEDICINAL.

## Headache.

This distressing malady is caused by a run-down state of the health, and is often a forerunner of other and more dangerous diseases.

## Brown's Iron Bitters

cures headache by removing the cause of it; and this is the way it does it.

It purifies and enriches the blood, quickens the action of the kidneys, the liver and the bowels, and gently and pleasantly stimulates the digestive organs, and in fact thoroughly renovates and tones up the whole system—and you have no more headache. And besides it is pleasant to take, and will not stain the teeth nor cause constipation.

Is this not better than dosing yourself with disagreeable and dangerous drugs, which at the best can do no lasting good?

Don't be deceived by imitations. See the crossed red lines on the wrapper. Our book, "How to Live a Hundred Years," tells all about it; should be read by everybody; free for 2c. stamp.
